

4 MP · INDOOR & OUTDOOR · NDAA

Lend'L Cloud Alto

A compact 4 MP mini-bullet camera for indoor and outdoor use, built for sharp footage day and night. A 1/2.8" sensor with WDR and HLC/BLC keeps detail readable in bright or backlit scenes, Smart IR sees up to 30 m in darkness, and every frame records straight to the Lend'L cloud.

AT A GLANCE

4 MP clarity

Up to 2592 × 1520 at 25/30 fps — sharp, readable detail day or night.

Smart IR to 30 m

Clean footage in complete darkness; colour down to 0.05 lux.

WDR + HLC/BLC

Balanced exposure in bright, mixed or backlit scenes.

Weatherproof IP67

Durable all-aluminium housing, rated from –30 °C to 50 °C.

Single-cable PoE

IEEE 802.3af or 12 V DC, max 8.5 W — one cable for power and video.

NDAA compliant

Cleared for tender-grade deployments, with microSD edge storage up to 256 GB.
