

4 MP · IP66 · NDAA

Lend'L Cloud Tesla

A compact outdoor mini-dome with sharp 4 MP footage, WDR and IR night vision. A built-in microphone with audio and alarm I/O, single-cable PoE and recording straight to the Lend'L cloud make it a complete, tender-ready camera.

AT A GLANCE

4 MP clarity

Sharp footage through a 3.6 mm lens, day or night.

IR night vision

Infrared illumination for clean footage in complete darkness.

Audio built in

Built-in microphone with audio in/out for sound alongside video.

Weatherproof IP66

Rated for outdoor use through rain, dust and Indian summers.

Alarm I/O + microSD

Alarm in/out for sensors and sirens; edge storage up to 256 GB.

NDAA compliant

Cleared for tender-grade deployments; powered over a single PoE cable.
