

● 4 MP · IP67 · CYBER LOCKDOWN

Lend'L Outdoor Mini Bullet

A small-footprint, hard-shell camera built to take Indian summers, monsoons and dust without flinching. 4 MP, IP67, WDR and long-range IR over PoE — backed by Cyber Lockdown so the camera watching your business can't be used against it.

AT A GLANCE

4 MP clarity

2560 × 1440 through a 2.8 mm wide-angle lens.

IR to 30 m

Long-range IR LED night vision for complete darkness.

True WDR

Balanced exposure in bright, mixed or backlit scenes.

Weatherproof IP67

Powder-coated aluminium-alloy housing with a hardened polycarbonate lens cover.

Cyber Lockdown

Locked-down architecture so the camera can't be turned against your network.

Single-cable PoE

IEEE 802.3af over one Cat-6 cable, with microSD storage up to 256 GB.
